

FC Sonora-Randolph Soccer Club Donation/Sponsorship Policy

FC Sonora-Randolph Soccer Club encourages teams to obtain sponsorships or donations to help defray the costs associated with running the team, tournaments, player bags, etc. Donations to FC Sonora-Randolph Soccer Club are fully tax deductible. FC Sonora's policy is to retain 10% of all donations/sponsorships received by teams, up to a maximum of \$200.00 per season. The Team receives the balance of all donations/sponsorships to spend as the coach and team deem appropriate. The Club will not manage or hold a team's portion of any donations received. The Club does not manage funds raised by or on behalf of teams. All funds raised through fundraising activities are not subject to the split, unless raised at a FC Sonora Club Activity, such as our tournaments or the Picture Day Picnic. We strongly suggest that teams establish a separate bank account to manage all donations/sponsorships received and funds raised. In return for the donation/sponsorships, donors/sponsors will receive a letter from the Club acknowledging the donation for tax purposes. We also suggest that teams show their thanks for the support they receive with a small token of appreciation, such as a team plaque.
